Program Description

The ALEAD Academy is held on the main campus of Northern Arizona State University in Flagstaff at no charge to the students. The program is designed to be an intensive leadership development course for students who are current sophomores or juniors in high school, age 15, 16, or 17 years old. Each day will start with a class or activity to promote physical fitness and wrap up with a nighttime activity to promote the relationships within the group. All activities will be supervised by personnel from the FBI National Academy Associates. The ratio of staff to students will be no more than 6 students to every one staff member. The schedule will be demanding with the program starting at 7:00 a.m. and ending at 9:00 p.m. One day-trip to the Grand Canyon is planned as well as local trips for community service.
